

iPad / iPod Touch as a Learning Tool

Agreement of Use in the Classroom

As of July 2011

As a school we take the safety of our students very seriously; we do our very best to protect them while using global information systems such as the computer, iPod or the Internet. Upon enrolment students and parents are asked to read and sign two important documents: *Student Computer and Internet Use Agreement* and *Website, Computer and Internet Acceptable Use*. Copies of these documents can be downloaded from our website, www.berkley.school.nz > iPods in School > Guidelines.
