Mobile Devices as Learning Tools

Agreement of Use in the Classroom

Reviewed February 2017

As a school we take the safety of our students very seriously; we do our very best to protect them while using global information systems such as computers, mobile devices or the Internet. Upon enrolment students and parents are asked to read the *Student Computer and Internet Use Agreement* that is included in the school enrolment pack. A copy of this document can also be downloaded from our school website www.berkley.school.nz under *Curriculum > BYOD*.
